

Product:

Masking Tape

Description:

Crepe paper **masking tape** with **high performance**, specific for **automotive sector during collision repairs and painting processes** with drying cycles at high temperatures **up to 100 °C (for 30 min)**. It combines **controlled unwinding, easy tear and conformability**. Well performing in overlapping the tape, with masking paper and masking film, it **provides excellent paint edges**, clean and safe **removal without residues** and breaking.

Application:

General purpose, painting and automobile industry.

Specification:

Sr. No.	Product Code	Type	Total Thickness (micron)	Adhesion to Steel (g/25mm width)	Testing Method	Temperature Resistance (°C)	Type of Adhesive
1	MSK01	Masking Tape	140	600	ASTMD-1000	70	Rubber
2	MSK02	Masking Tape	130	850	ASTMD-1000	100	Rubber

* Custom sizes are available as per customers requirement

** More detailed technical specifications can be provided on request
