

Biaxially Oriented Polypropylene BOPP TAPE

Self-adhesive tape with BOPP backing. The tape is suitable for use with manual dispenser and automated packaging lines. The adhesion and elongation characteristics, together with the brilliance and transparency, typical of polypropylene tapes, make it ideal for all applications in the packaging sector. Due to its adhesive qualities, the tape can be used at room temperatures.

- Medium & Heavy Duty Carton Sealing
- General Purpose Repair
- Bundling & Strapping
- Gift Wrapping & Decoration
