

CARRY HANDLE TAPE

CHT(Carry Handle Tapes) are specially made from very MOPP Film and coated with a very aggressive adhesive capable of lifting heavy box of consumer goods. Save money and the environment with tape handles by using them in lieu of plastic bags. They are easy to use and can be custom-printed with your logo. We do have the ability to custom. Make any handle size for you and either pancake or spool form. The tape is easy and ready to use.

Consumer goods like tetra pack, mineral water bottles, juice cans/ bottles, beverage bottles, tissue boxed, oil bottles and etc.
